

CREATIVE COMMONS

Quaderns de polítiques familiars uses the [Creative Commons license](#):

Recognition of authorship

The author(s) of the article and the journal *Quaderns de Polítiques Familiars* must be expressly mentioned in full whenever a fragment or complete text is copied, distributed, publicly communicated or made accessible interactively (via the Internet or other means).

It is forbidden to use the texts –in their entirety or fragments thereof- for commercial purposes.

Derived works

Articles or fragments thereof may not be included in other works unless as explicit quotations.

It is prohibited to create versions from published texts

Translation

The translation of whole articles or fragments thereof is strictly prohibited. Fragments of texts published in *Quaderns de Polítiques Familiars* may only be translated for the purposes of including them as explicit quotations as long as the author and magazine are expressly mentioned in full.
